

Guideline for Workshop Participants

Participating Artists

Outline

Ceramics Int'l Inter-local Workshop

2017 Icheon Ceramics Festival(ICF)

2017. 04.27 – 05.06 (10 days)

Ye's Park (Icheon Ceramic Art Villiage)

Missions

Int'l Ceramics Inter-local Workshop Participating artists will work in the special workshop to share and to exchange different perspectives on ceramic practices and various techniques with Korean ceramic artists and public.

- Artist can make his/her works during the period at provided work space.
- Artist can give a talk to explain about his/her work and ideas
- Artist may give a lecture to local ceramic high school or universities in order to share his/her expertise with future artists.
- Publication: All the materials submitted by workshop participants can be published in the workshop proceeding before the opening of the event. A complementary publication with the contents of workshop during the event can be followed afterwards.

Product Sale & Ceramics Interlocal Stand

Participating artists can sell their work/product at the provided stand in the Ceramics Salon so that Korean customers can discover the various aspects of ceramic product from different cultures and locals.

- Artist takes in charge of transporting his/her own product to sell
- ICF provides banners and printed materials to present the production as long as the participant send the promotional materials(text and images) in English to the ICF by the indicated date below.

Conditions of invitation

The ICF offer the following to the workshop participants (invited artist):

1. A common stand in the ceramic booth where participants may sell their own pieces.
2. 11 nights accommodation and meals.
3. All materials to make individual works upon prior consultation.
4. A common workspace will be provided for participating artists.
